COMPANY PROFILE  
2022

# WHO WE ARE

**Brobrik NSW Pty Ltd** was established in 1994 as a family owned and operated business by the Englezos Family. Over the years, Stuart & Peter Englezos, along with their dedicated senior staff have built up over 75 years of combined experience in the Building Industry and prides itself on high quality workmanship delivered to its well-established client base.

**Brobrik NSW Pty Ltd** are specialists in Commercial buildings, High-density residential buildings and Major Infrastructure projects spanning across all of the Sydney Metropolitan area. We employ a team of over 50 highly skilled and qualified tradespersons and labourers who are dedicated to providing quality workmanship and customer service, always striving to maintain the highest level of professionalism, honesty, and integrity in all of our relationships including with our employees and our clients.
